Friday 10<sup>th</sup> March 2017

Dear Parents and Carers

### INTERNET SAFETY TALK

The internet is an incredible resource which enables young people to connect, communicate and be creative in a number of different ways, across a range of devices. However, it is always changing, and being able to keep up-to-date with your child's use of technology can be a challenge. Whilst children often have high levels of technical expertise, they still need advice and protection when it comes to managing their lives online.

We would therefore like to invite parents to an Internet Safety Session on **Tuesday 28<sup>th</sup> March at 7pm** in the school hall.

This session, led by Tim Barette who is an expert in the field of computing, will raise awareness of internet safety issues and provide practical advice and safety tips. Some of the areas covered will include social media, gaming, online bullying, digital footprint and online reputation, as well as guidance on setting up parental controls. We would like to take this opportunity to thank the 'Friends of Busbridge' (PTA) who have kindly funded this talk.

If you would like to attend this session, please complete the slip below and return it to the school office by Friday 24<sup>th</sup> March.

Yours sincerely

Carolyn Holmes  
Headteacher
