

11th November 2016

Dear Parents and Carers

As part of the Year 5 Personal, Social, Health & Economic programme we are required to teach Sex and Relationship Education, focusing on the areas of relationships and body changes.

In the week beginning Monday 28th November we will be showing the children a series of short programmes from "All About Us, Living and Growing" made by Channel 4. Both classes will watch the DVDs together and will then split into single sex groups for the discussion.

If you would like to see these programmes in advance of the children's viewing please contact us to arrange to borrow the dvd.

If you have any concerns regarding the content of these lessons please do not hesitate to contact us.

Yours sincerely

Miss S Warner
