All details of the homework are posted each week on the VLE.

# Year 4 Multiplication check

## What is the Multiplication Tables Check?

- The Multiplication Times Tables Check takes place in June and is a statutory online test for all year 4 children where the pupils are asked 25 questions on times tables 2 to 12. For every question, the children have 6 seconds to answer, and in between the questions, there is a 3-second rest. Questions about the 6, 7, 8, 9, and 12 times table come up more often.
- The questions are generated randomly based on the rules of the MTC.

## How to prepare

- A good way to prepare is to start early and build a daily routine practising the times tables. By practising regularly, the children gain both confidence, accuracy and speed of recall. We suggest practising 10 to 15 minutes a day for optimal results.

# P.E. days

- Days: Autumn: **Mondays** (swimming)  
**Thursdays** (outdoor)  
Spring & Summer terms: **Thursday** and **Friday**

- Kit: Blue PE shirt, blue shorts and trainers
- Tracksuits for outdoor PE and trainers

Children should come to school in their P.E kit on both of their P.E days.

Please note that our school policy is no earrings for P.E. and children must be able to remove them themselves.
