7th March 2018

Dear Parents / Carers

150th Anniversary Commemorative Coin Design Competition

To celebrate our 150th anniversary as a school, we are running a competition to design a commemorative coin which will be presented FREE to each pupil in the Summer Term. Two winners will be selected – one for the front and one for the back – with the winning designs featuring on the actual coins which all children will receive. If your child wishes to take part, they may submit one design for the front and back using the templates below.

The design must include on one side:

- the school logo (see the top of this letter)
- our motto ('Learn to Love, Love to Learn')
- '150th Anniversary'
- '1868 – 2018'
- whatever other words, pictures or patterns your child feels are appropriate

The other side need not feature any words at all.

The actual diameter of the coins will be 45mm, so please bear in mind that small details may be lost when the design is scaled down.

Designs must be in **black and white** and handed to your child's class teacher by **Thursday 29th March 2018**.

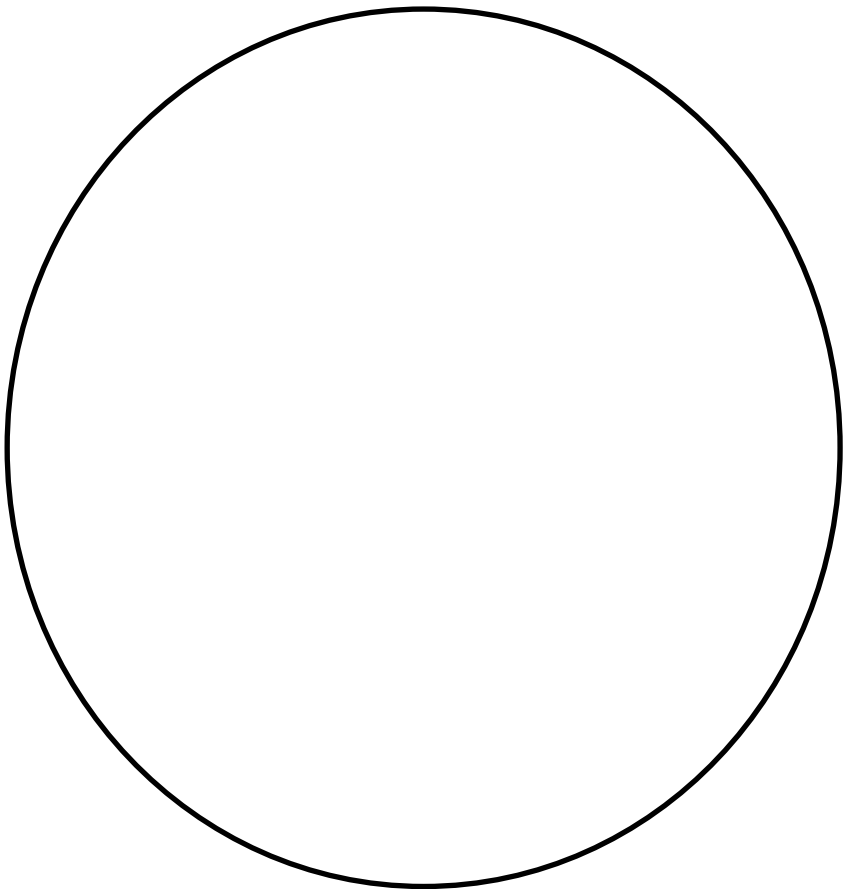

We are very grateful to our PTA, the Friends of Busbridge School, for funding this project.

Yours sincerely

Sarah Mistry
(Y5 class teacher; History Lead)
