

Instructions for Easy Fundraising (prepared by a Busbridge parent)

You've probably seen this link in either the Infant School or Junior School newsletters and like me thought to yourself 'great idea' but you've never actually done it. Well I finally did and it's so easy I'm kicking myself I didn't do it sooner.

To register

Go to www.easyfundraising.org.uk

- Click on Create an account
- Support a good cause
- In the name box type Busbridge Junior
- Select that cause from the drop down box
- Support this cause
- Join with either email or Facebook
- Input details (name, email, password)
- Click Create Account and you're good to go

Now so you don't forget to use it, what I've done is deleted all quick links/apps from my iPhone/iPad of the shops I buy from online. Then I book-marked the easyfundraising website to my home screen. This means I go through their site first before making any online purchases. You could also delete all of your favourite retailers on your computer and just have this one favourite for your online purchases.

When you click the link it's just a case of entering the name of the retailer you want and it then it takes you to that website. Navigating it this way means easyfundraising knows about the transaction and credits the donation from that retailer to the PTA account.

There are hundreds of retailers involved in the scheme, stores like Amazon, Boden, House of Fraser, M&S, John Lewis, eBay, Sainsburys, Argos, Boots etc... You'll find the majority of retailers you use on there.

So please, if you want to do it, take a quick five mins to set it up and from then on it's a piece of cake :) with all of the online shopping we all do nowadays, we could make a very worthwhile amount.
