5<sup>th</sup> October 2021

Dear parents and carers of Busbridge CE Junior School

## BJS Sport For All MUGA Project

At the end of the summer term 2021 we shared with you our vision is to install a MUGA (Multi Use Games Area). This project is big, but it will have a very positive impact on sporting opportunities for all children, as well as their well-being and safety at break times. The Governors and PTA of the school are aiming high to raise £95,000 for this project, all of which needs to be collected through fundraising and grants. The MUGA will also have a community focus, providing physical activity for even more people.

It is a big ask, but we can do it if we all help out.

### Why is the Sport For All MUGA Project needed?

This question is best answered by visiting our dedicated MUGA page on our school website:

<https://www.busbridge-junior.surrey.sch.uk/web/muga>

Our current sports field cannot support the high level and quality of sport and physical activity that we aspire to. Our Sport For All MUGA will help us ...

- (i) Enable more all-year round sporting and physical activities for all children,
- (ii) Make break times even safer,
- (iii) Provide a source of rental income from sports groups in the local community,
- (iv) Enable more sports clubs at BJS,
- (v) Enable us to host more sporting events at BJS,
- (vi) Still leave a large area of grass for physical, science and environmental activities,
- (vii) Enable your children to continue being happy and healthy.

### Raising the funds for our MUGA

We have two fundraising events planned so far: Children's Sponsored Skipathon (21<sup>st</sup> October) ; PTA Fireworks Night (4<sup>th</sup> November). There are more in the pipeline and we'd love to hear your ideas for others.

Please also consider making a monthly contribution of, for example, £10. Over the year this will purchase one square metre of the new MUGA. Donations can be made from the [school MUGA page](#).

Thank you!

Yours sincerely

Richard Catchpole  
(Head teacher)
