

SATS INFORMATION 13th to 17th MAY 2019

Top Tips: We are sure you will do the very best that you can next week.

To give yourself the greatest chance of success, get to bed at a good time, play with your friends, go over anything you think will help and make sure that you have a good breakfast and plenty to drink to keep your brain stocked up!

All of you have lots of other qualities and skills that we know make you special: being a good friend; having great ideas; fabulous artists, musicians and sportspeople, to name but a few.

Remember that all these things make you unique.

Try hard and you will succeed in all that you do!

Equipment you will need:

3 pencils, pen, ink cartridge refills

We will provide: a ruler, protractor, mirror

Equipment can be kept on your desk if it is in a clear bag or clear pencil case.

Otherwise leave it in trays/bags

Water bottles are not allowed on desks during the tests in case they spill
