### Summer Term Curriculum and Learning Information

The Summer term curriculum and learning information sheets for each year group are now available on our school website. Please access the sheets in the 'Pupils and Learning' section under each year group. These will give you an insight into what the children will be learning this term, so please take the time to read them and ask your child about their learning this week.

### Staffing News

After 17 years working as a senior lunchtime supervisor at our school, Julie Pilbeam is stepping down from this role to pursue other interests outside school. I would like to thank Julie for all her work in the playground at lunchtimes, and in the dining hall. We wish her all the very best for the future. This term we have welcomed back one of our Learning Support Assistants, Laura Edmonds, who has returned from her maternity leave.

### Literary Young Writers Competition

Last Friday Francis Harrison from the Godalming and Woolsack Rotary Club came to our assembly to give certificates to all the children who took part in the Young Writers competition this year. All the entries were really well written but a special well done to Finlay Glaysher in 6E who was the winner in the heats. Finlay's entry will now go on to be judged in the regional finals - good luck to Finlay.

### Online Safety

The power point presentation from the online safety talk last term by Tim Barette is now available on the school website under 'For Parents' 'Online Safety'.

### Year 5 Bikeability

Well done to the year 5 children who successfully completed their Level 1 Bikeability training this week in the school playground. The children developed their cycling and safety skills through explanation, demonstration and practical exercises on their bicycles under the expert instruction from the Surrey Cycle Training instructors. The children who participated received certificates for their hard work in completing the course which they were presented with today in class. Thank you to the Surrey County Council Road Safety team for coming into school to deliver the Bikeability training.

### Book Fair - Monday 15th to Thursday 18th May

The Travelling Books Fair will be held after school each day from Monday 15th to Thursday 18th May. The books will be sold outside on the decking or in the Learning Lab. Leaflets will be sent home with the children next week with information about the books on sale. ***Mrs Barker would very much appreciate two parents to help each day. If you are available and can help us please email the school office with your availability - thank you.***

### Playground Lolly Sales

The Year 6 parents are holding lolly sales after school on Friday 5th May, Friday 12th May and Friday 19th May. Any lolly sold will be 50p. Please note that all profits made will go towards the production of the Year 6 Leavers' Yearbooks - please support them if you can.

### School Dinner Money

Please can we remind you that it is Surrey County Council policy that school meals should be paid for in advance. Please remember to top up your school dinner money regularly on Parentmail PMX - thank you.

### Bounce for Boaty

'Bounce for Boaty' has so far raised £2000 which is brilliant. If you still have sponsor money to collect and hand in, please bring it into school as soon as possible in a named envelope/container. Fantastic news - the children will be able to play on the 'Boaty' playframe from Monday next week which they are all really looking forward to as I am sure you can imagine.

*Good luck to all our children who are taking part in the Godalming Schools swimming gala at Godalming Leisure Centre tomorrow evening - we look forward to hearing all about it on Monday.*
