

## Busbridge Junior School

### After school club Summer term 2019

ComputerXplorers is delighted to be able to offer a new after school club this term. We will run the club on a Thursday afternoon and will tackle two exciting activities during the term.

**Edison robotics:** In this part of the course the children will learn how to program a simple robot so that it interacts with the environment around it. They will get it to follow a track, set up sumo battles and program interaction with sound and light.

**Makey Makey:** We will use the Makey Makey kit to teach the children about electrical circuits, programming and physical computing. We will play video games with vegetables and create our own dance mat. The children will work in pairs during the course

- ➡ Each lesson will last one hour after school on a **Thursday**. Please collect your children at 4.30 pm
- ➡ Dates: May 9, 16, 23, June 6, 13, 20, 27, July 4, 11
- ➡ Cost for the 9 sessions is **£58 per child**.

### How do I register?

To book a place on this course go our website (address below) and click on the 'book a class' button at the top of the page.

[www.westsurrey.computerxplorers.co.uk](http://www.westsurrey.computerxplorers.co.uk)

From the list of courses available select **Busbridge Summer 19** and complete the details requested.  
*Please take care to ensure that you are registering your child on the correct course*

Please get in touch if you have any questions about the course.
