Wednesday 2nd October 2019

Dear Parents and Carers

Maths Subject Information Evening – Wednesday 9th October 2019 at 7pm

“That’s not how we do it at school!”

We would like to invite our parents and carers to a Maths Subject Information evening on **Wednesday 9th October 2019 at 7pm** until approximately 8.00pm in the school hall.

The evening will consist of a Maths Workshop to show you the methods we use to teach your children how to add, subtract, multiply and divide together with some other information about mental maths and times tables. It will be an informal workshop to explain how and why we use the methods we use and give you an opportunity to have a go yourselves - no detentions for wrong answers! We will also show some examples from past SATS papers to show you what is expected of children before they leave us at the end of Year 6.

The workshop we ran a couple of years ago was well attended and received positive feedback from parents as being helpful so we hope this one will prove as popular.

To give us an idea of numbers please confirm your attendance by completing the slip below and returning it to the school office by Tuesday 8th October 2019.

We look forward to seeing you then.

Mr David Evans
Maths Leader

(NB. Please do not park in the village hall car park as it is not available for our use for this occasion.)

Maths Subject Information Evening – Wednesday 9th October 2019 at 7pm

Child’s name..... Class.....

I / we would like to attend the Maths Information evening on Wednesday 9th October at 7pm YES / NO

Name of parent(s)/carer(s) attending (please print names):
