Position of Learning Support Assistant at Busbridge C of E Aided Junior School

Dear Applicant,

Thank you for your interest in this position at Busbridge CE Junior School. We are a happy and welcoming school in a lovely part of Godalming. Our school has spacious grounds with plenty of outdoor areas, including our school pond and field for children to explore. We are able to make use of our facilities to offer lots of sporting opportunities for our children. Excitingly, we will shortly be beginning the construction of a multi-use games area at the school, which will be ready for pupils (and staff) to enjoy in September 2023.

Our school promotes a love of learning, via an engaging and varied curriculum. As well as our academic learnings, we also know how to have fun as a school too. We have an upcoming Coronation picnic and games afternoon, to celebrate the Coronation of the new King. Other summer term activities include a DoubleDay (off curriculum mixed-age days with activities including cookery, art and scrapbooking), a whole school beach trip to West Wittering, and a Pet Day (children and staff are invited to bring their pets into school).

As well as our effective and successful teaching and learning, the other factor which makes Busbridge Junior so special is our wonderful staff. We have a happy, engaging and motivated team, who strive to get the best for all of our children. Busbridge Junior is a rewarding and happy place to work. Our senior leadership team are committed to providing continued professional development for all staff. We can also offer:

- Free onsite parking
- Nutritious and tasty school lunches (chargeable at £2.70 per day)
- A high level of continued professional development
- Professional and positive work colleagues
- Well behaved and respectful pupils
- An active commitment to staff Well-Being (e.g. Golden Ticket)

We hope you will feel motivated to apply for this role at our school and I look forward to meeting you during the recruitment process.

Yours sincerely,

Richard Catchpole
