

Busbridge Junior School

## After school club Spring term 2020

ComputerXplorers is delighted to be able to offer an after school club this term. We will run the club on a Wednesday afternoon and will tackle two exciting activities during the term.

**Website programming and design.** In this course children will use Weebly to design their own websites before publishing them online. During the course, they will learn about HTML programming - the language the programmers use to design websites.

**3D digital animation.** The children will learn how to construct 3D digital objects, place them in a 3D digital environment and get them to interact with each other. Ultimately the children will create their own short films. At the end of the course we will publish the children's films online

- ➡ Each lesson will last one hour after school on a **Wednesday**. Please collect your child at 4.30.
- ➡ Dates: Jan 8, 22, 29, Feb 5, 12, 26, March 4, 11, 18, 25
- ➡ The course will cost £70 for the 10 lessons

### How do I register?

To book a place on this course go our website (address below) and click on the 'book a class' button at the top of the page.

[www.westsurrey.computerexplorers.co.uk](http://www.westsurrey.computerexplorers.co.uk)

From the list of courses available select **Busbridge Spring 20** and complete the details requested.  
*Please take care to ensure that you are registering your child on the correct course*

Please get in touch if you have any questions about the course.
