Dear Parents and Carers ,

Friday 18th March 2022

Please find below details of two competitions we are running through the school with the help of Miss Friend (Year 3 teacher) and Miss Warner (Year 6 teacher):

Royal Academy of Art Competition

Last week in assembly (and as communicated in the newsletter), the children were told about an exciting **art competition set by the Royal Academy of Art**. It is an **opportunity to create a piece of original art** using any media. This could be anything from paints to clay to digital photography. There isn't a theme but maybe your child is inspired by an artist or person, or is inspired by nature, transport, sport? Anything goes!

To enter, we would like you to **take a photo of the art produced by your child** (please don't bring the art into school) – please give it a title, the medium used to make it and a couple of sentences to describe it. The photos will then get uploaded to the Royal Academy - they will select entries to be presented in an online exhibition in the summer. As the exhibition will be online to the public to the view, **you will need to complete a permission form with your entry – see attached form.**

Please **email all entries and permission forms to** : art@busbridge-junior.surrey.sch.uk **by Friday 25th March**. I can't wait to see the masterpieces!

Kind regards

Abi Friend

Year 3 teacher and Art lead

Eco Warriors – Great Big School Clean Up Competition

This year, our wonderful Eco Warriors have organised an exciting opportunity for our school to be involved in the **Great Big School Clean Up 2022!**

To take part, all you have to do is **take a bag on a walk with you, fill it with litter** (carefully of course!) **and send a picture of you and your litter to** cwarner@busbridge-junior.surrey.sch.uk **by 10th April 2022**. Alternatively, you can print the picture and give it to your class eco warriors. Not only do we have the opportunity to win an assembly from author Sarah Roberts (who is very passionate about the environment), but each class will win 1 class reward for every 5 bags of litter they collect - easy!

Kind regards

Chloe Warner

Year 6 teacher and Eco Warrior lead
