

# Christmas WREATH MAKING

Add a touch of homemade charm to your Christmas this year with our Christmas wreath making workshops. There really is no better way to kick off the festive season, creating your very own work of art to adorn your front door.

If you believe you have no ability or creativity, think again. With all materials provided as well as guidance or suggestions, come and give this a go for the very first time. If you are already a master wreath maker, then get together with some friends and enjoy the moment of creating something alongside each other.

All proceeds go to Friends of Busbridge Junior School.

The uncertainty around what we will be allowed to do once the current restrictions end, makes planning these workshops a little tricky. Proposed dates are evening of Thursday 3<sup>rd</sup> December, early afternoon on Friday 4<sup>th</sup> December and mid morning on Saturday 5<sup>th</sup> December.

If you are interested in finding out more about the workshops, please email Fiona to provisionally book your place or ask any questions.
