Monday 10th February 2020

Dear Parents and Carers,

Please find below a couple of events coming up after the half-term break which I am excited to share with you:

'One World' Week - Monday 24th to Friday 28th February: Our many family links throughout the world

As communicated in the newsletter, the week we return after half-term we are having our 'One World' week. As part of this week, we are looking to celebrate the many links that our children and families have around the world. **So if your child has lived in a different country or if you have family members living in another part of the world we would love to hear about this.**

We plan to share and celebrate these links in a number of ways:

- (i) in the Learning lab we will have a large world map showing the spread of our wider school family (possibly a photo of your child with an arrow linking them to the relevant country, possibly with a bit of blurb)
- (ii) the chance to share a few words in an assembly with some photos on a PowerPoint (I will help them with this). These are both optional of course, but it would be lovely to share how special it is to have a link to another part of the world.

I have talked to the children about this in assembly today (Monday 10th), so please do have a chat with your child if you think this idea applies to your family. If your child would like to be involved, **please complete the reply slip attached and send it back to us by Thursday 13th February.**

Inter-Generational Extravaganza!: Monday 2nd March – 1.45pm to 3.15pm

This will be an afternoon for older members of our school community / families to pop in to school and live the life of a school child again. Please feel free to invite grandparents or older neighbours who your child is friendly with. Our guests will come in to share some relaxed learning with the children (reading, maths games, computing), have a cup of tea, chat with the children and generally hang out in school for a bit.

So that we can plan appropriately, please **return the slip below by Wednesday 26th February** if you have a friend or relative who will be joining us. Please also inform us of any access/health issues on the reply slip attached that we need to be aware of to help the afternoon go smoothly.

Many thanks.

Kind regards

Richard Catchpole
(Head teacher)

One World Week (Monday 24th – Friday 28th Feb): **Our many family links throughout the world**

Child's Name..... Class:.....

Part(s) of the world your family is linked to

.....
