

## **Learn to play an instrument with South West Surrey Concert Band**

Surrey Arts and SWSCB are currently offering **25% DISCOUNTED LESSONS** on a woodwind or brass instrument and the opportunity to have fun playing their new instrument with our orchestra on a Saturday morning.

South West Surrey Concert Band provides a great opportunity for young musicians to meet on a weekly basis and give concerts throughout the year including regular tours throughout Europe.

Anybody who applies in time for lessons during the Autumn Term 2018 will receive their first ten lessons in a group at 75% the normal group rate (currently £81 per term). Lessons take place at Queen Eleanor's Junior School, Guildford on a Saturday morning. Following the initial 10 lessons the lessons will be invoiced at the normal teaching rate. Should your son/daughter wish to discontinue their lessons we just ask for a half term's notice. For full terms and conditions, please visit the Surrey Arts website, [www.surreycc.gov.uk/music](http://www.surreycc.gov.uk/music).

As soon as pupils are ready they will be invited to join the junior section of the orchestra and their first term of membership will be provided **at a discounted rate**.
