RE: Godalming Junior School - Admission Arrangements Consultation - 2022/23

Dear Parents

In accordance with DfE and local authority requirements, we are required to consult when changes to our admission arrangements are proposed.

In order to best support parents in the local area, who already have children attending the school, the governors have considered that it is appropriate and necessary to change the sibling rule and wording from:

A sibling is a child who will have an older brother or sister at Godalming Junior School at the time of the younger sibling starting in September.

to

A sibling is a child who will have an older brother or sister at Godalming Junior School at the time of the younger sibling's application.

The governors do not anticipate that this additional category will result in a material number of places being allocated on this basis. Otherwise, the governors are not proposing to make material changes to our admissions policy. We will be consulting for a period of six weeks from **Monday 30th November 2020** and would welcome any comments regarding our admission arrangements.

The consultation will close on **Monday 11th January 2021**.
