OUR SUPERB FUNDRAISING PUDDINGS

It's that time of year and once again, we are delighted to be offering award winning puddings from the Ultimate Plum Pudding Company specially labelled just for us. This small (but fully accredited) Cumbrian company has been making puddings for over 20 years. They make puddings for some very prestigious retailers, some very fine hotels, and for many fundraisers including us. These are absolutely top of the range products which you won't find in the supermarkets. They come nicely wrapped in shiny foil with our special year 6 winning label designs on. There will be a limited number available for sale on the day of the school Christmas Fayre, however to avoid disappointment, we highly recommend that you pre-order your puds! Give yourself a treat, use them as Christmas gifts and support us in the process. Deliciously good sense - calories don't count in a good cause!

The Ultimate Plum Pudding. This exceptionally light and delicious Christmas pudding is the company's flagship product. Winner of a gold great taste award, it's enjoyed by many who 'don't like Christmas pudding' as well, of course, as those who do. According to one fan it's 'the first Christmas pudding we've ever had where none got thrown away' Spectacular! Give yourself the best this Christmas. 454g pudding serves 4.

Triple Chocolate Pudding. The real deal. Not just cocoa - proper chocolate! It's made with melted dark belgian chocolate, fine french cocoa powder, chocolate chips, chocolate liqueur and a good slosh of brandy. Like all these puddings it's made for adults. Just needs cream or ice cream.

	£ each	Number reqd.	£ Total

All these products require cool and dry storage and keep for months. They don't need refrigeration but please don't store them in the cupboard by the oven. All puddings can be microwaved in about one minute. Overheating will dry the puddings - please be cautious if your microwave is fierce. Plum puddings are wrapped in red film, sponges in silver.
