# Busbridge Junior School years 3 & 4

# After school club Autumn term 2018

ComputerXplorers is delighted to be able to offer an after school club for years 3 & 4 this term.  We will run the club on a Monday afternoon and will tackle two exciting activities during the term.

**Video game and animation programming**.  During the course the children will use Scratch to learn how to design and programme video games.  We will start with simple games that introduce game principles and will then move on to make more sophisticated games that require more design and programming.

**Video puppetry:** In this course the children will use a piece of software called Crazy Talk to turn digital photos into video puppets that they can add voices and special effects to.  We will publish the finished films online.

- ➡ Each lesson will last one hour after school on a **Monday**.  Please collect your children at 4.20 pm

- ➡ Dates: Sept 17, 24, Oct 1, 8, 15, Nov 5, 12, 19, 26, Dec 3, 10

- ➡ Cost for the 11 sessions is **£71 per child**.

## How do I register?

To book a place on this course go our website (address below) and click on the 'book a class' button at the top of the page.

www.westsurrey.computerxplorers.co.uk

From the list of courses available select **Busbridge years 3 & 4 Autumn 18** and complete the details requested. *Please take care to ensure that you are registering your child on the correct course*

Please get in touch if you have any questions about the course.
