

## Busbridge C of E Junior School - Curriculum Information Year 5 2020-2021

### Homework:

**Please do not bring homework in. It is now completed/ uploaded via the VLE.**

Monday – An English task will be set on the VLE on a Monday. This may include a spelling activity or grammar activity. This is due on Wednesday.

Tuesday – A Maths task will set on the VLE on Tuesdays. This is due in on Thursdays.

Wednesday – Homework will be linked to a topic area in Science, History or Geography. This may include some research on recommended websites. This is due in the following Monday.

Thursday – Reading homework. This may be time to enjoy a book with an adult or read independently. We may also send home reading comprehension activities.

**PE Days:** Friday is outdoor PE with SLC, Tuesday is indoor PE. In the winter months, please can you ensure that your child has an unbranded, navy blue tracksuit. We now ask that children wear their PE to school on their PE days.

### Planned trips:

**Autumn term** – Preston Manor (tbc) – A day to dress up and experience a ‘day in the life’ of a young Victorian servant.

**Summer term 1**– Greek workshop! We invite the Rainbow Theatre company in to school and the children come dressed in Ancient Greek attire, participating in an interactive workshop.

**Summer Term 2** – Winchester science museum – An opportunity to go ‘out of this world’. Children participate in some planned science activities, and then explore the wonders of the solar system.

**Ways in which you can help your child:**

Reading with your child as often as possible! This can be you modelling good reading habits to them, giving children the opportunity to read and discuss a text with you or simply a time to enjoy some good quality time together reading for pleasure. Children are expected to read on a nightly basis for approximately 20 minutes.

Helping your child to develop good homework habits is invaluable at this stage in their education. Setting aside a regular time for homework, encouraging children to 'have a go' at their work independently but also being there to support them when needed. As a guide, homework should take between 30 – 40 minutes per night. In most cases the children have 2 days to complete formal homework unless it is project based when a longer period to research and present their findings is given by the teacher.
