

# School Uniform

We believe our school uniform creates a sense of equality and belonging, and we encourage the children to wear it with pride.

## Coats, Hats and Bags

A warm and waterproof garment is essential for children using our open site. A blue backpack and PE bag with the school logo are available from Ballethoo but please note these logo products are not compulsory.

**All uniform items MUST be named.** The Friends of Busbridge CofE Junior have teamed up with Label Planet giving parents the opportunity to buy **personalised uniform Stikins labels** and earn commission for the school at the same time. Information is available on the school website. The Friends of BJS also run a second hand uniform service which can be contacted by emailing [2ndhanduniform@busbridge-junior.surrey.sch.uk](mailto:2ndhanduniform@busbridge-junior.surrey.sch.uk).

## Jewellery

For those children with pierced ears, we ask that only stud earrings are worn. These must be removed for PE lessons. As a school, we do not allow children to take part in PE with plasters over their earrings. We therefore ask that parents do not take their children to get their ears pierced during term time as this means that if they can't take the earrings out, they can't access the PE curriculum. The ideal time to do this would therefore be at the start of the summer holidays, as the break is long enough to allow time for the piercings to heal before the children return to school in September. Watches can be worn which we ask these are clearly named.

## Nail Varnish

Nail varnish should not be worn during the school day and should be removed before coming to school if worn for a special occasion outside of school.

## Hair

Long hair should be tied back at all times during the school day with a suitable hair tie/band. A Busbridge scrunchie is also available to purchase through Ballethoo. Please ensure that children have something to tie up long hair during the school day and particularly for PE.

## Lost Property

Lost clothing and larger items are put into the green-lidded box on the playground. Small items are given to the office staff. At the end of each half term lost property will be returned (if named) or either sold as second-hand uniform or otherwise disposed of.
